

FINOL CHALLENGE PRO F ECO 5W20

APPLICATIONS

Finol Challenge Pro F ECO 5W20: Synthetic technology engine oil that provides the best protection against wear and deposits. The post-treatment systems for petrol engines, which are sensitive to the lubricants used and expensive to maintain, are also protected over the long-term thanks to the product's low phosphorus content. The 5W-20 grade reduces internal friction within the engine as much as possible so that it can deliver full power, while at the same time generating fuel savings.

Finol Challenge Pro F ECO 5W20 with specification Ford WSS-M2C-948-B is particularly well-suited for use with Ford's petrol-powered engines (except the Ford Ka, Focus ST and Focus RS). This oil is required for the 1.0L 3-cylinder EcoBoost engines.

Finol Challenge Pro F Eco 5W-20 is advised for use in Jaguar Land Rover vehicles that require Jaguar Land Rover oil approval STJLR.03.5004

SPECIFICATIONS

- ACEA A1/B1
- API SN
- Jaguar Land Rover STJLR.03.5004
- Ford WSSM2C-948-B

ADVANTAGES

- Engine protection and cleanliness
- Reduced environmental impact: 3.55% reduction in fuel consumption
- Easier cold starts
- Protection for pollution control systems
- Oil change intervals: To be modified based on usage. Always refer to car owner's manual

TYPICAL CHARACTERISTICS

TEST	UNIT	Test Method	Result
Viscosity Grade		SAE J 300	5W20
Density at 15°C	Kg/m ³	ASTM D 4052	0.851
Kinematic viscosity at 40°C	mm ² /s	ASTM D 445	42.44
Kinematic viscosity at 100°C	mm ² /s	ASTM D 455	7.94
Pour Point	°C	ATSM D 97	-36

The features mentioned above are obtained with the usual tolerance in production and do not constitute a specification.

The product should not be stored at a temperature above 60 °C. Exposure to strong sunlight, extreme cold or high temperature variations must be avoided.

This lubricant used as recommended and for the application for which it has been designed does not present any particular risk.

A material safety data sheet conforming to the regulations in use in the E.C. can be obtained from your local commercial adviser or down loaded from www.finol.ie
