

AGRIWORX CHAIN & BAR HEAVY 220

APPLICATIONS

AgriworX Chain & Bar Heavy 220 is an ISO VG220 heavy-duty lubricating oil used for the lubrication of cutter bars and chains.

It contains several benefits including an anti-fling formulation, deep penetration of links, wear-reducing additives resulting in it being very economical to use.

ISO 6743.1-L-AC

ADVANTAGES

- Heavy duty lubricating oil for cutter bar of chainsaws
- It is perfect for chains, slideways and guides in industrial applications
- Advanced adhesive properties
- High protection against wear
- Advanced protection against rust
