

PRODUCT INFORMATION SHEET

FINADET TFR TRAFFIC FILM REMOVER

DESCRIPTION

A high performance Traffic Film Remover with excellent shampooing and degreasing action.

Contains water softening and conditioning agents, emulsifier, soil suspending additives and a rinse aid for improved finish.

APPLICATION

For all forms of vehicle washing.

- Removes traffic film, oil and grease from vehicle bodies and chassis.
- Non-toxic and non-tainting,
- The non-caustic nature of this product makes it safe to handle and offers greater protection to vehicle body paintwork.

METHOD OF USE

For vehicle washing with a high pressure cleaner, apply the solution from the bottom of the vehicle and working upwards.

Extra care should be taken when washing in strong sunlight.

Check the surface temperature, if it feels hot to the touch, cool down with water before use.

Do not allow the solution to dry out on the vehicle.

Rinse thoroughly with high-pressure water.

For best results, dry all glass with a squeegee or leather after cleaning.

HEALTH AND SAFETY INFORMATION

This product is non-toxic and not classified as a harmful substance, but contact with eyes and prolonged contact with skin should be avoided.

For further information, please refer to our safety data sheet.

This product complies with European environmental requirements.
