

Mineral lubricant suitable for on-road diesel engines.

APPLICATIONS

Performance E7 15W40 is a mineral lubricant used in on-road diesel technology.

It is recommended to Euro 3, and previous engines of most European and American manufacturers. It is also adapted to Euro 5 and previous engines of some manufacturers with appropriate oil drain intervals. Performance E7 15W40 enables coverage of some fleet of mixed brands (American and European manufacturers) with a minimal number of products.

SPECIFICATIONS

Performance E7 15W40 meets the following International Specifications:

- | | | |
|--------------------|------------------------|----------------------|
| - ACEA E7 | - Cummins CES 20076 | - CATERPILLAR ECF-1a |
| - API CI-4/CH-4/SL | - Mack EO-N | - DAF |
| | - MAN M 3275 | - Deutz DQC IV-10 LA |
| | - MB- 228.3 | - IVECO |
| | - Renault Trucks RLD-2 | - SCANIA |
| | - Volvo VDS-3 | - ISUZU |

ADVANTAGES

Performance E7 15W40 contains excellent viscosity stability in service, guaranteeing effective engine lubrication in severe conditions.

Outstanding detergent, dispersant and anti-wear properties keep the engine clean and enable efficient control of soot, sludge and piston deposits.

Piston cleanliness performance affords effective protection against cylinder liner polishing.

TYPICAL CHARACTERISTICS

		Methods	Value
Density at 15°C	kg/m ³	ASTM D1298	888
Kinematic Viscosity at 40°C	mm ² /s	ASTM D445	98.7
Kinematic Viscosity at 100°C	mm ² /s	ASTM D445	13.4
Viscosity Index	-	ASTM D2270	136
Flash Point	°C	ASTM D92	236
Pour Point	°C	ASTM D97	-30
T.B.N	mgKOH/g	ASTM D2896	11
Sulphated Ash	%m/m	ASTM D874	1.4
			5

The features mentioned above are obtained with a usual tolerance in production and do not constitute a specification. Variations that do not affect product performance are to be expected during normal manufacture and at different blending locations.

Performance E7 15W40

This lubricant used as recommended and for the application for which it has been designed does not present any particular risk.

A material safety data sheet conforming to the regulations in use in the E.C. can be obtained from your local commercial adviser or down loaded from www.finol.ie
